A highly motivated and technically proficient 7th-semester BSc. CSIT student at Vedas College with strong foundational knowledge in computer hardware/software, networking, and system administration. As the President of Vedas Hashtag, I have developed leadership skills and excel in targeted marketing, effective communication, and data-driven approaches. I am eager to leverage my skills to drive business growth and generate high-quality leads.

## EXPERIENCE

### Data Analyst Intern

Patan

MPercept Technology

May, 2023 - Oct, 2023

- Collected and cleaned data for accuracy.
- Organized datasets for easy use.
- Analyzed data to find patterns and trends.

## EDUCATION

### BSc. CSIT

Jawalakhel

Vedas College

Apr, 2021 - Present

## PROJECTS

### E-commerce Website Development

- Developed an e-commerce website using React for the front end, Node.js for the backend, and MongoDB for the database.
- Focused on user-centered design and agile development practices.

<https://github.com/sadikg1/EcommerceProject>

### Portfolio Website

- Developed a responsive portfolio website using React and Node.js to showcase my projects and skills.
- Implemented features such as a downloadable resume, interactive project galleries, and a contact form with email integration.
- Focused on optimizing user experience, performance, and accessibility across all devices.

<https://github.com/sadikg1/My-Portfolio>
